## Aloe Cameronii

60.00 RUB ±.

**Aloe Cameronii (Aloe Cameronii Camerons Ruwari, Red Aloe Vera)** is a variety of Aloe Vera with reddish-pink leaves. It is known for its medicinal properties and is often used in traditional medicine. The plant is native to the region of Ruwari in the Cameroons. It is a succulent plant with thick, fleshy leaves that are arranged in a rosette. The leaves are reddish-pink on the edges and green in the center. The plant is easy to care for and can be grown indoors or outdoors. It is a popular choice for indoor plants due to its attractive appearance and low maintenance requirements.
